Materials Usage
First Semester Graduate Notes
Gabe Sekeres
Fall 2024

</div>

Introduction. This folder is divided into separate course folders. Each course folder contains all of the material I used in my first semester.

ECON 6090: Microeconomics. This folder contains the following:

1. Syllabus

2. Clean Micro Notes

3. Problem Sets

4. Problem Set Solutions (my own)

5. Problem Set Answer Keys (not comprehensive)

6. Course Materials, divided into:

    (a) Easley

    (b) Kircher

    (c) Harris

    (d) Blume

    (e) Barseghyan

    (f) Battaglini

7. TA Sections

ECON 6130: Macroeconomics. This folder contains the following:

1. Syllabi (one for each part)

2. Clean Macro Notes

3. Problem Sets

4. Problem Set Solutions (my own)

5. Problem Set Answer Keys (not comprehensive) and code

6. Matlab Code

7. Julia Code (for relevant problem sets)

8. Course Materials, divided into:

   (a) Taschereau-Dumouchel

   (b) Chahrour

9. Exams (with solutions)

10. TA Sections

ECON 6170: Intermediate Mathematical Economics. This folder contains the following:

1. Syllabus

2. Problem Sets

3. Problem Set Solutions (my own)

4. Answer Keys
